

# SENATOR KNOX DIES WEDNESDAY NIGHT

## WAS STRICKEN WITH PARALYSIS IN HIS WASHINGTON HOME

### WAS OPPOSED TO LEAGUE OF NATIONS

Served as Secretary of State Under President Taft and Was Regarded as One of the Strong Men in Senate—Senate Will Adjourn Today in Respect to the Late Senator

(By The Associated Press)  
WASHINGTON, Oct. 12.—Philander Chase Knox, senator from Pennsylvania and secretary of state under President Taft, died suddenly at 6:30 o'clock this evening at his home here. He was stricken with paralysis after descending the stairway on his way to the dining room for dinner and passed away fifteen minutes later without regaining consciousness.

Mrs. Knox and the senator's secretary, W. F. Martin, were near the senator and hurried to his aid. Dr. Samuel Adams was summoned immediately but he found Mr. Knox beyond medical aid.

Senator Knox returned to Washington only last Monday night from a trip to Europe with Mrs. Knox and he attended the sessions of the senate yesterday and today.

Leaving the chamber about 5 o'clock this afternoon the senator took an automobile ride thru Potomac Park and stopped on his way home to purchase tickets for a theater performance tonight. Reaching home, the senator went to his library where he remained until summoned to dinner.

## HUGHES WILL BE SPOKESMAN FOR U. S. DELEGATION

### Delegates Meet and Effect Organization For Meetings

(By The Associated Press)  
WASHINGTON, Oct. 12.—The American delegation to the armament conference held its first meeting today, elected a permanent organization and began discussion of the questions of policy.

One of the first specific subjects to be considered was the problem of open or closed session for the armament conference and discussion is said to have revealed considerable sentiment for opening the doors whenever the entire body of delegates meet to register important decisions.

Other and broader questions of policy also were given detailed examination during the three and a half hour meeting of the delegation and tonight the delegates continued their discussions and heard the views of President Harding at a white house dinner. No date was set for the next meeting but it was indicated that another consultation was probable early next week.

None of those present at the meeting would reveal details of the deliberations regarding publicity for the conference sessions, but the impression was given that this government might lay before the delegates after they assemble here on November 11 a proposal that all full sessions of the conference be opened to the press. The recommendation, it was said, would not apply to the meetings of individual national delegations, committees or other subordinate bodies where the real decisions of the negotiations may be made would give publicity to such gatherings as that which will mark the opening of the conference and to the sessions where formal votes on pending questions are taken.

Today's meeting of the delegates was held in the office of Secretary Hughes head of the delegation whose colleagues, Elihu Root, Secretary Henry Cabot Lodge and Senator Oscar Underwood formally delegated him to act as spokesman in making public such details as seemed practicable.

Everett Pennell, the well known little man was a city arrival from Murrayville yesterday.

## FRANK SNYDER'S DOUBLE IN 7TH WINS FOR GIANTS

### Giants Take Lead for First Time in World's Series

(By The Associated Press)  
NEW YORK, Oct. 12.—Frank Snyder, the Giants' bulky catcher poked one of Carl Mays' underhand twisters into left center field for a two base hit in the seventh inning at the Polo Grounds this afternoon and thereby sent home the tally that won the seventh game of the series for the New York National League champions.

The Giants, by winning this contest from the Yankees, two runs to one went for the first time into the lead in the world's series, the count standing:

Won	Lost
New York Nationals . . . 4	3
New York Americans . . . 3	4

The McGraw men need but one more victory to give them the series and the big end of the money. If the Yankees should win tomorrow and a ninth game is necessary, the Giants will be the home team, the Yankees batting first.

This was decided in the club house at the Polo Grounds late this afternoon. Commissioner Landis tossed a coin and President Stoneham of the Giants called the turn.

Today's game, probably the best played and certainly the snappiest and tensest in the series was also worthy of the two pennant winning clubs. It was witnessed by a holiday crowd of 36,503 persons, a crowd which was by all odds the most demonstrative of all the great throngs which have gathered for these games.

It seemed almost as if the roar that greeted "Chick" Fewster, the Yankee lead off man, again substituting for the disabled "Babe" Ruth, when he stepped to the plate in the first inning was continued without pause until Phil Douglas of the Giants tossed out Wally Schang for the last out in the ninth. Once more and for the third time, it was a case of Douglas against Mays, and for the second time the verdict went to Douglas.

Pitches Great Ball.  
"Shufflin'" Phil pitched masterful ball settling down after a somewhat uncertain time of it for the first two innings, in the second of which the Yankees scored their only tally.

He was aided by wonderful support by his mates, not a fielding mislay being made on the National's side.

On the other hand, Carl Mays, while the loser has to be given credit for an equally notable if less successful performance on the mound. The blonde Missourian was steadier than Douglas not issuing a pass and allowing but six hits to eight for his opponent, and but for a slip, most unfortunate for Mays and his Yankee teammates on the part of Aaron Ward in the seventh inning the game might have easily have gone into extra innings with the score tied, one to one.

The Yankee second baseman's error proved the real "break" of the game putting on base the runner who shortly afterward scored the winning tally. The usually reliable Ward, let a grounder by Rawlings get away from him after two Giants had been retired in the seventh inning. Aaron recovered the ball and made a quick throw to Pipp but was just too late.

The play on Rawlings, cleanly made of course, would have retired the side. But Ward's bobbie provided an opening of which the Giants were quick to take advantage. Frank Snyder lumbered confidently up to the plate and banged away without a minute's hesitation jamming the first ball pitched into the outfield for two bases, scoring Rawlings with what proved to be the winning tally. Mays then fanned Douglas for the third out.

Was Nip and Tuck Affair.  
The game from the very start was a nip-and-tuck affair. The

## IMPERIAL WIZARD MAKES SWEEPING DENIAL OF CHARGES

### Head of Ku Klux Klan Says Members Are Not Lawless

(By The Associated Press)  
WASHINGTON, Oct. 12.—Sweeping denial of the charges that the Ku Klux Klan contained within its ranks a lawless band of hooded hoodlums was made before a house committee today by William J. Simmons, of Atlanta, its founder and imperial wizard.

Turning squarely upon members who had listened intently for nearly two hours to a dramatic defense of the organization, Mr. Simmons declared that "standing here in the presence of God," he wanted the world to know that if one thousandth part of the charges were true he would forthwith call together the grand council of the Klan forever disbanding it in every section of the United States.

Called late in the day after a number of negro witnesses from Boston and Chicago had urged a congressional inquiry of the Klan, the imperial wizard, first asking to be sworn, told the committee the Klan welcomed the investigation but protested against attacks in some of the pending house resolutions. The wizard was permitted to read his statement without interruption, although at the session tomorrow he will be questioned by committee members, especially with reference to published reports of various acts of vandalism charged to the Klan.

"There is no room in our organization for those who take the law into their own hands," he declared banging the table, "we have been charged with everything from the wave of high prices to the sweeping march of the boll weevil. It has been charged that our primary aim was intimidation of the negro in the south. But it might surprise this committee to know that the growth of the Ku Klux Klan has been greater in the north and the east than in the south."

Do Nothing Outside Lodge Rooms.  
Asserting that the Klan could not do "anything outside of its lodge room," except by specific orders of its imperial wizard, so as to hold its membership in line, Mr. Simmons added:

"Before God I have never signed any instructions that could be construed or carried as a violation of the law. The Klan does not tolerate or teach lawlessness, instead we preach respect for the law."

At times there was intense quiet in the room and at one of those moments the witness, rapping the table, declared that no man could charge disorder in any city where the Klan was well organized.

## RECORDS WILL BE READY NEXT WEEK

(By The Associated Press)  
SPRINGFIELD, Ill., Oct. 12.—Records of the Small-Curtis case will probably be completed and ready for transfer next Tuesday to Waukegan, where Governor Small and Vernon Curtis are to go on trial in the Lake county circuit court on charges of embezzling state funds.

This announcement was made tonight by Charles Koehn, clerk of the Sangamon county circuit court.

Preparations for a speedy trial will under way today. Clerk Koehn said his office was making an effort to have all records of the case in shape by Monday night. Edward Pree, first assistant in State's Attorney Mortimer's office, was a Waukegan today.

Governor Small said tonight that he hoped the trial would be over by Christmas.

Despite immediate preparations and the apparent desire of both prosecution and defense to begin the trial many here expressed the opinion that it will not be in progress before January. They pointed out that preliminary motions and delays will put the case far into November. If, as has been predicted, it takes from six to eight weeks to try the case, many believe the holidays will be allowed to pass before the trial is actually begun.

## TUSCOLA MAN LOSTES

LIFE IN FIRE  
Tuscola, Ill., Oct. 12.—Roy Bled, aged 40, is believed to have lost his life in a fire which destroyed the high and grade school building in Tuscola this afternoon. Bled was seen to enter the assembly room to get some books shortly before the floors crashed and no trace has since been found of him.

## SMALL EXPECTS TO CALL MEETING OF LEGISLATURE SOON

### Indicates It May Come as Soon as His Trial is Over

(By The Associated Press)  
SPRINGFIELD, Ill., Oct. 12.—Governor Small said tonight that he has not decided upon a date for calling the legislature into extraordinary session for action on the tax commission bill and the Thompson traction measure defeated in the regular session last spring.

"I have not changed my mind about calling a special session however," said the governor. "We can hardly have a special session of the legislature and a trial going on at the same time. We do not know just how long the trial in Waukegan will last, but it should not take a very long time. I hope it will be over before Christmas."

The Lake county capital will be the nominal seat of the state government during the trial of Governor Small and Vernon Curtis on charges of embezzlement of state funds.

"I have been thinking today that I will be unable to transact much state business here in Springfield for several weeks after the trial begins," the governor said.

Governor Small spent the greater part of the Columbus Day half holiday at the state house in conference with department heads.

## PENROSE HOPES FOR PASSAGE OF TARIFF MEASURE

### Predicts Permanent Bill Will Be Passed By February

(By The Associated Press)  
WASHINGTON, Oct. 12.—Passage of the permanent tariff bill by next February 1, is the hope of Chairman Penrose of the senate finance committee and Fordney, of the house ways and means committee.

Senator Penrose said today he had conferred with Mr. Fordney and that they had agreed to extension of the emergency tariff law until that date.

Notices that hearings on the tariff bill will be resumed November 1, were sent out today to agricultural interests. The live stock schedule will be taken up first, Mr. Penrose said.

The tariff also got into senate discussions. Senator Ashurst, democrat, Arizona, warning that "ten bold democrats and ten bold republicans" were determined that "the minions of Wall street should no longer dominate in the framing of tariff legislation, that protection would be given the farmers."

"If it is," he said, "there will be no tariff bill."

Referring to unemployment over the country, Mr. Ashurst said the nation was "on a volcano that may erupt at any time," and he pleaded that the two political parties lay aside partisanship and get to work.

Senator Hitchcock, democrat, Nebraska, replying said that the farmers had had enough experience with the emergency tariff law to know that protection would add them very little. The prices of practically all commodities named in the bill, he added, had gone down steadily since the emergency law went into effect.

## REWARD FOR ESCAPED CONVICT

Springfield, Ill., Oct. 12.—A reward of \$50 for the capture of Henry Carsen who escaped today from the Southern Illinois penitentiary at Chester was offered tonight by Governor Small. Carsen was sentenced from Mattoon for a term of ten to ten years for grand larceny.

## SENATORS CHEW THE RAG OVER CHEWING GUM

### Proves Sticky Subject in Tax Revision Measure

(By The Associated Press)  
WASHINGTON, Oct. 12.—Adoption by the senate of the Republican compromise plan for repeal of all the transportation taxes on exit January 1st, was completed today with the acceptance without a dissenting vote of an amendment removing the tax on parcel post packages. Senator Reed, Democrat, sought to extend the repeal to levies on messages by telegraph, telephone, cable and radio, but his motion was voted down, 32 to 26.

Committee amendments to the bill accepted included these imposing license taxes on brokers and others and manufacturers' taxes on two cents a gallon on cereal beverages, still drinks and fermented fruit juices; seven and one half cents a gallon on finished fountain syrups and five cents a pound on carbonic acid gas.

Until the chewing gum tax was reached the senate made fairly rapid progress on the bill. But there it struck for nearly two hours with a discussion of chewing gum, tariff and other subjects.

A Republican proposal to repeal the two per cent tax on this gum was opposed by Senator Reed, who said the senate had voted to retain \$25,000,000 in taxes upon senders and receivers of messages by wire and radio while it was proposed "to refund one twenty eighth of that amount to Wrigley."

Asks Who Made Bargain.  
"Who made this bargain?" asked Senator Reed with reference to the compromise plan to knock out the chewing gum tax. "Who overturned the action of the committee. When was it agreed to? It demands an explanation when a gentleman escapes \$1,000,000 in taxes on something that is useless and worthless."

That was the influence that reached behind the doors and took the tax off Mr. Wrigley?"

Senator Watson, Republican, Indiana, said the information before the finance committee was that factories of the American Chicle company were closed down and that the removal of tax had been suggested to get those plants started up again. He declared that so far as the committee knew Mr. Wrigley did not care about the tax that he never had asked that it be removed.

During the course of Senator Reed's address there was reference to the agricultural bloc and Senator Moses, Republican, New Hampshire wanted to know how many agriculturists were in that "bloc." This led later to an address by Senator Ashurst, Democrat, Arizona, who declared the time had come to quit referring derisively to the agricultural bloc. He warned that it was composed of Democratic and Republican senators who were determined to get legislation through the senate for the benefit of the farmers and who were equally as determined that the Minions of Wall street, should not control tax and tariff legislation.

After an address by Senator Leflin, Democrat, Alabama, who told of the work of the agricultural bloc and again attacked the federal reserve board the excise tax action was passed over.

Chairman Penrose of the finance committee announced today that as soon as the peace treaties were disposed of he would ask unanimous consent for a final vote on the tax bill on October 21.

## ALLEGED BREACHES OF TRUCE WILL BE CONSIDERED TODAY

### British and Irish Delegates Will Take Up This Phase When Sessions are Resumed This Morning—The Suggestions of General Smuts Are Likely to be Followed

(By The Associated Press)  
LONDON, Oct. 12.—When the Irish conference resumes its session at 11 o'clock tomorrow morning it probably will first deal with the question of alleged breaches of the truces which have been the subject of controversies today between various members of the British and Irish delegations.

It is agreed among the delegates, it was understood tonight that breaches have arisen on both sides, Dublin Castle having produced a list of such occurrences, which was compared with a list published by the Irish Bulletin of breaches by auxiliaries, the police and the military.

In the recent killings at Calaway and shootings resultant from an Irish Republican dance, it was conceded that both Sinn Feiners and crown officers violated the truce by carrying arms.

The Irish representatives, while expressing anxiety for accord regarding the truce, expressed disfavor of any extension of the original terms of the truce signed at general headquarters in Dublin. It is understood that they were willing to bind themselves to discontinue any activities not covered at that time.

Since, however, many of these activities were possible only through the possession of arms, a stricter regard for prohibition against carrying arms by either side would meet all government requirements.

## Leaders Expect it to be Passed Not Later Than Saturday

WASHINGTON, Oct. 12.—Ratification of the German peace treaty within the next few days, was forecast tonight by leaders of both sides after a canvass of the senate had been completed. A vote on the treaty had been expected by Friday, or Saturday at the latest, but in view of the death of Senator Knox, some delay is expected in the action of the senate.

A safe margin above the necessary two-thirds majority for ratification, was claimed by the treaty's advocates. Fourteen democratic votes, it was said would be cast for ratification with a loss to the republican side of only three or four against ratification. Comparatively few senators, it was said were planning to make addresses and it was highly probable, leaders declared, that a final vote could be had on reservations and ratification late Friday or almost certainly on Saturday. Little time, subsequently, it was said, would be required to act on the Austrian and Hungarian treaties, with immediate votes after disposal of the German treaty a possibility.

Useless and Vicious, Walsh Says.  
Senator Walsh, democrat, Montana, spoke at length today against ratification. He declared the treaty "useless" as well as "vicious" and argued that it reserved privileges without assuming legal obligations, but entailed moral duties unescapable. His principal objection, he said, was that it provided for disarmament of Germany without pledging the United States to protect Germany against aggression as other nations were pledged in the Versailles treaty.

Another development in the situation today was a circulation about the senate of a report that prominent democrats out of public life were appealing to democratic senators to "stand by" the Versailles treaty. Named in the reports as especially active in this respect were William G. McAdoo, former secretary of the treasury, and Bernard M. Baruch, former chairman of the war industries board.

## ACCEPT NEARLY ALL CEMENT ROADS

SPRINGFIELD, Ill., Oct. 12.—Acceptance of nearly all cement road bids received by the division named tonight by Governor Small. Although all of the contracts had not been awarded tonight the governor said a piece of road in the west end of Sangamon county and a small section in Kankakee county were probably the only sections in the more than 180 miles which would be rejected. Bids on these two pieces of work were too high, the governor said.

## SEES BUT LITTLE LIKELIHOOD OF RAILROAD STRIKE

Conferees are Still Far from Reaching Any Agreement

(By The Associated Press)  
CHICAGO, Oct. 12.—Little likelihood of a strike of railroad workers of the Big Four brotherhoods was seen tonight by L. E. Sheppard, president of the Order of Railway Conductors.

After three days and nights of meetings, separately and jointly, the executives and general chairmen of the conductors, engineers and firemen were still far from agreement on their course of action tonight.

"It is likely now that there will be no announcement made when these conferences adjourn," Mr. Sheppard said. "Thus far we can say nothing. And now it seems probable that there will be nothing to say."

Railroad officers today said there was no connection between the meeting of the association of railway executives to be held here Friday, and the Big Four conferences. Reduction of rates would probably be one of the chief topics of discussion at the executives' meeting, it was said.

BLOOMINGTON BOY KILLED BY TRAIN

Bloomington, Ill., Oct. 12.—William Larsen, aged 17, was killed when his automobile was hit by a New York Central train at Lehigh Station, east of Dwight today.

The auto show was a success this year and promises even greater proportions this year.  
Senator McKinley says American soldiers now on the Rhine do not wish to leave. They are living in comfort and prefer to stay where they are.  
Placing our cemeteries in the care of a special commission is commendable one, insuring more care and attention than there has been.  
The supreme court has ruled at Secretary of State Emmerson, and not a county board, composed of county judge, state's attorney and county clerk, is the judge of nominating petitions. This decision may add largely to the duties of the secretary.  
The number of people watching the bulletins of the base ball series in Jacksonville fairly illustrates the interest shown all over the country. One day recently there were 800 or more in front of the Courier board. It is said there are forty-four thousand miles of wire used each day in the country to supply the news to the fans.  
**EDITING WILSON'S WORK**  
Apparently disgusted with the

rigidity of the league of nations covenant, the assembly of the league has torn to pieces Article 26 which made it practically impossible to amend that instrument, and substituted other languages that paves the way for frequent changes in its provisions. Just how the amendment itself was validly made is not clear, but the assembly is going ahead and rewriting other sections of the covenant according to its own notions. It will probably not be long before the precious thing will not be recognizable even by its foster father, but it will be no nearer accomplishment of world peace than it is now. Just so long as the principle of a super-government is sought to be enforced upon the world, the antagonisms of individual nations will be aroused and the objects of the league defeated.

**SOCIAL SERVICE LEAGUE MEETING**  
The Social Service League of Morgan County will hold its annual open meeting today at the social rooms of the Illinois Woman's College. Special music will be furnished by students and members of the faculty of the college and there will be brief annual reports.  
The president will make an address, H. A. Perrin, and following this there will be a symposium of addresses by various social workers. The three themes to be discussed are "Morgan County 'deas," "Giving the Child a Chance," and "Is It Worth While."  
One of the most interesting and entertaining parts of the program is the "Pantomimes," which will be given under the direction of Miss Jeanette Powell, of the I. W. C. faculty. Several scenes will be shown portraying the subjects, "Widowhood" and "Handicapped." The I. W. C. students under Miss Powell's supervision have put in much hard work and preparation for this part of the program and it will be something really worth while.  
The Social Service League extends a most cordial invitation to all the members and to every one interested in the humanitarian work it is doing.

**DEATHS**  
Francis I. Maurer, infant son of Mr. and Mrs. August Maurer died yesterday at the family home 772 South Church street. The little child was born in Jacksonville, February 26, 1921. Brief services will be held this afternoon at 2 o'clock at the church of Our Savior and burial will be made in Calvary cemetery.

**Lewis**  
Mrs. Frederica Lewis of South East street died at Passavant hospital Wednesday afternoon where she had been a patient for the past three years.  
Decedent was born in Germany, March 8, 1838 and came to this country when quite young. The family settled in New Jersey and there she grew to womanhood. June 22, 1867 she was united in marriage to Charles Lewis who preceded her in death 12 years ago. The ceremony was said at Trenton, N. J. They came to Illinois shortly thereafter and her home has since been in this country.

She is survived by the following children, Mrs. Mary Winter, Aurora, Neb., Mrs. Sophia Parkin, Euclid, Minn., William Lewis near Woodson, John Lewis, South Jacksonville, Fred Lewis, Franklin vicinity, Charles H. Lewis, east of the city.  
Mrs. Lewis was a faithful member of Salem Lutheran church and was a regular attendant so long as her health permitted. During her long illness she bore her suffering with Christian resignation and retained her happy disposition. She was a great favorite with the nurses and attendants at Passavant to whom she was known as grandma.  
The remains were removed to the Gillham Funeral Home and prepared for burial. Funeral services will be held from Salem Lutheran church in charge of the Rev. J. G. Kuppler, the time to be announced later.

**METHODISTS WILL CONDUCT SCHOOL**  
A committee representing the three Methodist churches of this city, met at the residence of Prof. W. J. Weber, on East State street recently and made the plans for a school of instruction in the principles and practice of religion. Thanks to Dr. J. R. Harker, the school will be able to meet in the I. W. C. every Tuesday evening from 7:30 to 9 o'clock. Two classes will be in session during this period so that a student will be able to study two of the four subjects offered. The text books to be used are as follows: "The Life and Teachings of Christ," by Rall; "The Worker and his Bible," by Eiselen and Barclay; "How to Teach Religion," by Betts; and "Vocations Within the Church," by Crawford.

The faculty will consist of the Rev. T. H. Tull, pastor of Grace church; the Rev. C. D. Robertson, pastor of Centenary church; the Rev. G. W. Randle, pastor of Brooklyn church and Professor W. J. Weber, instructor in Religious Education at the Illinois Woman's College. The length of each class period will be forty minutes and the course will run through a period of twenty-four weeks.

The following persons will be eligible to membership: All Sunday school officers and teachers; all members of Bible classes; all members of the Epworth League; all parents who feel the need of better preparation to teach religion in the home; all those interested in Bible study and religious education. While this school is under Methodist direction, it will also include members of other denominations, and friends who are not members of any church. The text books will be inexpensive. No registration fee will be charged. All incidental expenses will be met by voluntary contributions.  
The first session will be held Tuesday evening, October 17, at the Illinois Woman's College at 7:30 o'clock sharp.

**DAVIS**  
Mrs. Hannah Davis passed away at the family residence in Lynnville early yesterday morning. She was a highly respected and aged citizen of her community and her death came after a long illness.  
She was born in England 78 years ago, a daughter of Mr. and Mrs. Thomas Stevenson, and came to this country with her parents at the age of eight years. She was united in marriage with Thomas Davis at Lynnville, December 6, 1896, who survives together with the following children: Mrs. Jennie Watson, Springfield; C. W. Davis, Roodhouse; and Mrs. Lillian Dicks, Springfield; four grandchildren, Jeanette Beacher and Arthur Dicks of Springfield; Willie and Winifred Davis of Los Angeles, Cal. Other survivors are two brothers, George and Elisha Stevenson and one sister, Mrs. George Fligg, all of Morgan county.  
Mrs. Davis was a member of the Christian church at Lynnville for many years. Funeral services will be held at the church at 2:30 o'clock Thursday afternoon Rev. L. R. Cronk-lite, the pastor, officiating. Burial will be made in East cemetery.

A dashing romance of society's fringe and fashion's half-world that lives by its beauty and wits. The tale of a convent girl who entered the game of life and found it "fixed" against her. But she played for love and fortune against a thousand odds—and won. Filled with the flare of "high life" and luxury. Shimmering with lovely gowns. Alluring with many a charming scene of pleasure ball, villa, and seashore.

**ENTERTAINMENT AND SOCIAL GIVEN BY R. N. A.**  
The entertainment and ice cream social given by Star Camp No. 171, R. N. A., Tuesday evening was a success in every respect. The attendance was large and the program rendered met the hearty approval of all present. After the program came the serving of ice cream and home made cake. The remainder of the evening was spent in dancing and conversation. A small admission fee was charged and a neat sum realized by the camp.  
This was the first of a series of such socials to be given in coming months. The next social will be given on Oct. 25, and will be an old-fashioned masquerade Halloween party. The following program was carried out Tuesday evening:  
Piano duet—Beatrice Vasconcellos and Paul Vasconcellos.  
Reading—Maxine DeFries.  
Solo—Miss Eunice Haerle.  
Violin solo—Miss Alta Crum.  
Reading—Miss Una Chapel.

**Economy**  
—It is not economy merely to get a low price.  
—You can easily get something of no real value, no wearing quality or serviceability when you dilly with low prices.  
—There are places, however, where low prices have a genuine meaning.  
—This tailoring shop is such a place.  
—Why?  
—Because we buy extensively but carefully, because we do a large business, employ competent help and are content with a fair, legitimate profit. In fact, we at all times split our profits with our trade because we are after real friends for all time.  
—A splendid way to find this out is to examine our stock of fine weaves and learn our exceptionally low prices on Fall Suits and Overcoats.  
—By the way, don't forget to say, "make me an extra pair of trousers with that suit."

Central Illinois District of the Illinois State Telephone Company Held Meeting Here—Operators School Also Conducted.

The Illinois State Telephone Association, district of west central Illinois, met in Jacksonville yesterday and conducted an operators school. The executives and managers of the phone companies throughout this part of the state also met and were addressed by some of the state officials present.  
About 50 operators were present to attend the school of instruction which was in charge of W. S. Vivian, secretary of L. S. Independent Telephone Association. Mr. Vivian addressed the class of operators both in the morning and afternoon and his subject was long distance exchanges. The lecturer had the knack of getting right to the heart of matters in a friendly and jovial way that impressed and enthused his hearers. He had three miniature switchboards with him and used these in illustrating many points in his address. His whole purpose was as the purpose of the entire meeting, was to instruct the operators so that the public would be given more refined and better service in every way. Mr. Vivian went from here to Pittsfield where he will lecture at another operators school.  
At the executives' meeting there were about thirty-five men present. Dr. Schwartz of Jerseyville was chairman of the assembly. The officers of the Illinois Independent Telephone Association, which these men represented, are president, Dr. R. E. Gordon, of El Paso and Jay G. Mitchell of Springfield, secretary-treasurer. This association has investments in the state amounting to \$225,000.00 and has over 250,000 miles of toll circuit.

SENATOR KNOX DIES WEDNESDAY NIGHT

(Continued from Page One)

pared, were attended closely by members on both sides of the chamber. He was one of the most prominent of the "irreconcilables" in the republican fight against the treaty of Versailles and was reputed to have been the author of some of the so-called Lodge reservations to the treaty among them the provision dealing with retention of control over seized enemy property.

It was immediately after the refusal of the senate to ratify the treaty of Versailles that Senator Knox began his fight for the ending of the technical state of war by resolution of congress. As a member of the senate foreign relations committee he sponsored a peace resolution which the last congress adopted

and which President Wilson vetoed. With some modifications the resolution was again adopted by the senate soon after the opening of the special session of congress called by President Harding.

Senator Knox's last important address in the senate was in support of his position that congress had the power and upon it devolved the duty to end the status of war resolution.

Philander C. Knox was attorney-general in the cabinets of Presidents McKinley and Roosevelt, secretary of state in the cabinet of President Taft and in the interim between those two offices and afterward was United States senator.

**Lead Peace Treaty Fight.**

Senator Knox was an active figure in the fight in the senate in 1919 and 1920 against the ratification of the peace treaty of Versailles. Even when the treaty was being drawn up he delivered speeches in the senate and out of it, in which he demanded that the league of nation's covenant should be separated from the other part of the treaty. He introduced a resolution to that effect which was adopted by the senate and also presented a resolution against the appointment of American representatives on the reparations commission. He also drafted one of the various resolutions submitted to the senate for adopting the treaty with reservations.

Subsequently Senator Knox was the author of a resolution adopted by the senate in May, 1920, declaring peace with Germany. This also was vetoed by President Wilson.

Senator Knox first came into national prominence when in 1901 President McKinley appointed him as attorney-general. He retained that office under President Roosevelt until 1904, when he resigned to accept an appointment as United States senator from Pennsylvania to succeed the late Senator Quay.

As attorney-general he established a record for prosecutions of trusts and combinations and in actions against railroads to prevent rebates and discrimination in rate.

Notable among his achievements while in this office was his suit against the Northern Securities company, a corporation organized for the purpose of combining the Northern Pacific and Great Northern railroads. He brought the government action to dissolve the merger and after a long legal fight, beginning in 1902, he won the case in the United States circuit court.

**Fought the Trusts.**

Mr. Knox also waged a notable fight against the combination of seven beef corporations, against whom he brought action in that year, 1902, charging them with being in conspiracy in restraint of trade. He obtained injunctions against the defendants, which were made permanent on appeal to the United States supreme court and the combination was ordered to be dissolved.

Soon after Mr. Knox instituted proceedings against fourteen railroad corporations, charging them with being in combination in restraint of trade and finally won all the suits. His friends declare that he was a pioneer in the movement to control corporations. It was upon his recommendation that congress amended the laws against railroads so as to punish them for granting rebates, extend the authority of courts to enjoin the carriers against making discriminatory rates and permit the federal courts to give precedence to cases of great importance to the public. These actions made him a powerful factor in the war against unfair practices by corporations which was the outstanding feature of that period of President Roosevelt's administration.

His own views on these powerful combinations were expressed in an address at that time in which he declared that over-capitalization was the most conspicuously evil feature of the trusts, but that other factors which contributed to their ill effect upon the public were lack of publicity in operation, discrimination in prices designed to eliminate competition, a tendency to monopolize trade in their lines and failure to appreciate that they owed any service to the public.

"My purpose," he declared, "is to show that we are not helpless to deal with serious problems which confront us."

**Purchased Panama Canal.**

Mr. Knox has been credited by some with having "actually carried through" the purchase of the Panama canal for \$40,000,000, which was an achievement of the Roosevelt administration. As attorney-general, Mr. Knox went to Paris and ascertained that the new Panama Canal company held a clear title to convey the canal. This enabled the United States to proceed with the purchase.

Mr. Knox was appointed United States senator in 1904. As secretary of state in President Taft's cabinet he inaugurated an active policy of aiding the extension of American trade with foreign countries, which was characterized as "dollar diplomacy," a designation intended in derision, but of which Secretary Knox afterward declared he was proud. He proposed that an arbitral court be established at the Hague and that the Manchurian railway be neutralized and approved the plan for the Central American court of justice for maintaining peace in Central America. He negotiated arbitration treaties with France and Great Britain and made a notable trip to Central American countries, Colombia and Venezuela. In 1912 he was assigned to attend the funeral of Emperor Mutsuhito, of Japan, as representative of the United States government. One of the features of his secretaryship was the dispute with Great Britain over the proposal to exempt American coastwise shipping from payment of tolls for use of the Panama canal.

FRANK SNYDER'S DOUBLE IN 7TH WINS FOR GIANTS

(Continued from Page 1)

second man up on each team, Peckinpough for the Yankees and Bancroft for the Giants, hit for two bases in the first inning, but were left.

Then in the second the Yankees broke the ice and sent a run across. Pipp, the first man up, slashed a double to left. Ward sacrificed the lanky first sacker to third. Mike McNally, next up, singled sharply to right and Pipp tallied. Wally Schang forced McNally at second, but Mays met one of Douglas' offerings squarely and sent it shooting on a line in the direction of right field. Rawlings, however, leaped high in the air and hauled down the sphere with one hand, retiring the side.

Neither side scored in the third, but in the fourth the Giants tied it up. With one out Young got an infield hit off Ward's glove and stole second as Kelly fanned. "Irish" Meusel then lined a neat single to center which brought Young home with the tying run. The count remained in its tightly knotted state until the seventh with its fatal break for the Yankees and the Giants winning tally.

**McNally Is Hurt**

McNally, whose hit brought the Yankees' only run injured his right shoulder in sliding for second and when he was forced in the second inning.

The Yankees took their place in the third with Frank Baker, the veteran third sacker guarding the far corner. Baker with little to do in the field got into the Hinc light twice on the offensive. The Yankees had been able to do nothing effective with Douglas after the second, but threatened seriously with two men out in the seventh, Baker contributing a hit here, which Schang followed by another. Both men were left, however, when Mays grounded out.

In the final innings with the Yankees needing one run to tie, the first two men were easy outs. The last chance lay with Baker. Frank, as he stepped to the plate glanced over at the right field stand where in former years home run hits had badly damaged

representative of the United States government. One of the features of his secretaryship was the dispute with Great Britain over the proposal to exempt American coastwise shipping from payment of tolls for use of the Panama canal.

Mr. Knox was born at Brownsville, Pa., on May 6, 1853 and was named after a noted Episcopal bishop, Philander Chase. He was graduated from Mt. Union college, Alliance, Ohio, in 1872, admitted to the bar in 1875, appointed by President Grant as assistant United States attorney for the western district of Pennsylvania but resigned in 1877 and formed a law partnership with James H. Reed, under the name of Knox and Reed, in which he is said to have enjoyed a very lucrative practice. Many stories are told to illustrate his skill as a lawyer which he afterward placed at the service of the United States in his capacity of attorney-general.

His home is at Pittsburgh and he has a farm at Valley Forge, Pa. He has been a trustee of Mt. Union college and a member of numerous clubs in Pittsburgh and New York. In 1876 he married Lillie, daughter of Andrew D. Smith of Pittsburgh, by whom he had one daughter, Eleanor, wife of J. R. Tindle and three sons, Reed Knox, Hugh S. Knox and Philander C. Knox, Jr.

or ruined Giant chances for a world championship and he seemed to be gauging the distance. And then he hit the ball. It was a hard blow, but not of the home run variety. It shot thru Kelly at first for a single. Hope the faint sprang anew in the Yankee breast. Al Devormer, fleet of foot, was put in to run for the veteran. It was up to Wally Schang, but the plucky back stop, tho he tried hard fouled one and then hit to Douglas and the game was over. The score'

Chicago, Oct. 12.—Charlotte Catlin, 42 years old, said to be a grand opera singer of some repute in Germany tonight drank a poison and is in a serious condition at a hospital. She had written two letters, one to Harold F. McCormick, chief backer of the Chicago Grand Opera company and the other to George M. Spangler, manager of the opera, in which she sought to arrange her burial in case of death.

L. C. HACKMAN CELEBRATES HIS 74th BIRTHDAY

October 12, 1847 L. C. Hackman first saw the light of the day at the home of his parents William and Elizabeth Meyers Hackman in the lower part of Cass County in th lower part of Indiana. There he grew to sturdy boyhood enjoying the privileges usually accorded boys of that early day.

April 1, 1880, he was married to Miss Amelia Kors and they were the parents of three children, W. E. Hackman, now residing at New Canton, Pike county; Oliver Hackman on the home place, and Miss Zelda Hackman,

the faithful and devoted daughter who is looking after the welfare and comfort of her father in his declining years.

Mrs. Hackman passed away in February, 1912.

For many years the family lived in Arenzville but in May 1916 Jacksonville was fortunate in securing Mr. Hackman and his estimable daughter as residents of the place at 341 Sandusky street.

Mr. Hackman is a member of Centenary church and an upright, respected citizen. He and his daughter went to Arenzville yesterday afternoon to enjoy a birthday anniversary with former

friends and neighbors who wish him many returns of the day.

**DETAIN SUSPECTS FOR QUESTIONING**

Detroit, Mich., Oct. 12.—Ten men were detained late today for questioning in connection with the recent robbery of a Canadian mail wagon, in which several sacks of registered mail of an undetermined value were taken.

William McCauley, driver of the mail wagon, visited detective headquarters tonight but failed to identify the prisoners. Office said they would be held for further investigation.

## THE PASSING OF JULIAN STURTEVANT

Former Prominent Jacksonville Resident Dies Following Illness of Year—Remains Will Be Buried in Diamond Grove.

Word has been received of the death of Rev. Julian Munson Sturtevant, D. D., which occurred at 7 o'clock Sunday morning, at his home near Boston. Mr. Sturtevant had a para-

lytic stroke over a year ago and has been very ill since.

The funeral services and the cremation were held there Tuesday afternoon and the burial will be here at Diamond Grove cemetery, within a few days.

Dr. Sturtevant was the son of the Rev. Julian M. Sturtevant, D. D., L. D., president of Illinois college, 1844-1876, and of Elizabeth Faye-weather, his wife; and was born at Jacksonville, Ill., February 2, 1834. J. M. Sturtevant, Jr., was raised here, and was graduate from Illinois college in the class of 1854. Mr. Sturtevant taught a year in our schools immediately after being graduated and served one year as tutor in Illinois College. He then went to Andover, Mass., Theological Seminary, from which he was graduated in 1859, meantime having acted as Chaplain of the Connecticut State Prison in 1858.

His first charge as a Congregational minister was of the church in Hannibal, Mo., whither he went in 1860, and remained for nine years. Since then he was pastor of a Congregational church in New York City, Ottawa, Ill.; Denver, Colo.; Grinnell, Iowa, Cleveland, Ohio; Galesburg, Ill., and Aurora, this state.

Since afterwards he was engaged in pastoral work in Chicago. For several years past, he had made his home in Cleveland, Ohio; but for about a year past, had lived in Boston, Mass., where he passed to his reward.

Dr. Sturtevant was married in 1861 to Miss Kate Hayward, daughter of a leading citizen of Hannibal, Mo., and they were the parents of several children of whom Hayward, of St. Louis, Mrs. Amy S. Hobart of New York City, and Mrs. Faith Dutch of Boston, Mass., survive.

Dr. Sturtevant stood high in his church, as he did on his feet, being

a giant in height, and served as editor of the "Congregationalist," of Iowa, 1881-4, and at different times as trustee of Colorado, Marietta and Knox colleges. He served long on the latter board, if not to the last.

Illinois college gave Mr. Sturtevant the degree of Doctor of Divinity, in 1879, the semi-centennial year of the institution. He was a member of Sigma Pi society, while in college.

Dr. Sturtevant was a genial and pleasant man, seeing much more of the humorous side of life than did his distinguished father.

In his immediate relationship he is survived by his sisters, Misses Libbie and Lucy and his brother A. H. Sturtevant, all now residing in Kushla, Ala.

This one by one the early settlers and their children, born in Illinois must pass over the narrow stream between Time and Eternity, and it is a great honor and glory to Jacksonville and to our institutions that so many of them have filled so large a place in the world's history and in the service of God and Humanity.

In this class "Julian" Sturtevant lived and died.

The last representatives of the Sturtevants now here are Mr. J. Al- lerton Palmer and his wife and chil- dren, esteemed residents of this city.

**BRIGHT LIGHTS**  
**CAUSE ACCIDENT**

Joseph Vail of 404 South Fifth avenue, LaGrange, Ill., was the victim of a motorists' disregard for the rules of the road when he went into the railing of a bridge in his Peerless car last night. He was unable to see the bridge be- cause of the bright lights of an approaching car, whose driver did not display the customary courtesy of the road by dimming them. Mr. Vail was coming from his home in LaGrange to visit relatives in White Hall when the accident occurred about ten miles east of here on the state road.

It is very fortunate that Mr. Vail was not injured as a front wheel of the machine hanging to the railing was all that saved the car from rolling over into a ravine. The driver was so blinded by the lights of the other car that he was clear off the road. If he had been two more feet to the right he would not have hit the bridge at all.

The car was badly damaged and had to be towed into town by Joy Bros. The driver of the other car did not stop and his identity is unknown.

Mrs. Lizzie Hubbard has re- turned to her home in Saldor after a visit with her cousin, Zed Bell and family, of Ebenezer vic- inity.

## Funerals

Wyatt

The funeral of the late Mrs. Henry Wyatt was held at the fam- ily home in Franklin at 2:30 o'clock Tuesday afternoon. The services were in charge of Rev. H. A. Sherman, pastor of the Franklin M. E. church, and were of a very impressive character.

The music was furnished by a quartet including Misses Grace Hill and Katherine Calhoun, Elgin Olinger and Mr. Ruble, with Miss Lou Duncan as accompanist.

The flowers which were pro- fuse and beautiful were in charge of Mrs. George Schaaf, Mrs. A. H. Wright, Mrs. Newton Reinbach, Mrs. Edgar Eador and Mrs. Owen. Interment was made in the Franklin cemetery and the follow- ing served as pall bearers: Henry Slack, George Schaaf, Newton Reinbach, William Whalen, A. H. Wright and Charles Criswell.

# A Vision of the People's Good

In his issue of September 22, Mr. H. A. Sturges, Editor of the Republic of Bereford, S. D., prints the following editorial:

"The Republic has carried for a long time a series of messages in the form of advertisements, ordered and paid for by the Standard Oil Company (Indiana). There is a notion on the part of many that everything that a corporation does is of a selfish nature, and that there never is a vision of the people's good. These messages have carried an entirely different tone, and we believe they are worth reading from week to week. The data this week is very interesting."

This recognition of the sincere effort which the Standard Oil Company (Indiana) has put forth through these advertisements to inform the public as to its purposes, policies and ideals, is gratifying.

In the opinion of the seven Directors of this organization, the business of this Company should be, and is, an open book.

The Standard Oil Company (Indiana) is an institution performing an essential service in a highly specialized branch of industry.

This Company is owned by 21,188 individuals, not one of whom owns as much as 10 percent of the capital stock.

The management of this Company centers about seven men, who constitute the Board of Directors. Each one is a specialist in one or more branches of the petroleum industry, and devotes all of his time to the business and affairs of this Company. Not one of the Directors has inherited his job; he has earned it.

Individually, and collectively, the Board of Directors believes that the business in which this Company is engaged is so vital, so important to the commercial and domestic life of all the people of the eleven states it serves, that they have caused to be published this series of advertisements, that the people may know how the business is being conducted.

Further, the 25,000 men and women who make up this organization are putting forth such enthusiastic, painstaking efforts to do a good job for the Company, and in turn, for the people, that the Directors are glad to tell the public what is being done.

Through these advertisements they are giving an account of their trustworthiness to the people frequently, as they do to the stockholders annually.

This is the purpose of this campaign of advertisements, on which the publisher of the Bereford Republic has seen fit to comment favorably.

## C. H. RUSSELL HEADS CEMETERY COMMISSION

Members Meet at City Hall Wednesday and Organize—Will Visit Diamond Grove Cemetery Today.

Members of the new cemetery commission held their first meeting in the council chamber of the city hall Wednesday morning and organized by electing C. H. Russell, president. By the provisions of the ordinance the city clerk is made secretary of the commission. All of the members were present except Mrs. Myers. The members discussed informally, various matters pertaining to the cemeteries and Mayor Crabtree made a few remarks relative to the manner in which the cemeteries had been conducted when under control of the city council.

It was decided to visit Diamond Grove cemetery this afternoon and make a brief inspection. The clerk also was instructed to prepare a statement showing the receipts and disbursements of the cemeteries during the past year.

It was decided to hold another meeting next Monday morning. At that time it is probable that the time of regular meetings of the commission will be fixed.

### CAPTAIN KIRBY RETURNS FROM VISIT IN CHICAGO

Capt. W. A. Kirby has returned from a pleasant visit with his son, Dr. Henry Kirby and wife, of Chicago. While absent, the captain and his son went to Great Lake, Wis., fishing and had a good time as well as success catching members of the finny tribe. He reports his son, Dr. Henry, well situated and prospering in his profession. The captain's friends are glad to see him among them again.

## WANT HOT LUNCHES FOR RURAL SCHOOLS

The Public Health Division of the local Red Cross chapter is sending letters to all the school boards of the rural districts, to interest the board members in the hot lunch idea for the schools. In all the 106 rural schools in Morgan county there is only one that is serving the students hot lunches at noon. This is the Hominy school located at Joy Prairie.

The Public Health division has advanced many excellent reasons in favor of the hot lunches. Primarily it is better for the health of the children. If they receive hot nourishing food during the noon hour a better standard of scholarship will result, the students will be less irritable during the afternoon and be much easier to handle, more interest will be taken in school work, provides practical training, teaches neatness and instructs pupils in manners, makes the students more willing to attend on very cold days, and helps them to an understanding of food values.

This is something which the public health division earnestly believes will greatly increase the efficiency of the schools and it is doing everything that it possibly can to forward this movement.

### CHICKEN SUPPER

Northminster church, on Thursday evening, 6 o'clock. Menu—Fried chicken, mashed potatoes, giblet gravy, glazed sweet potatoes, peas, cabbage salad, bread, butter, jelly, coffee, ice cream, home made cake, 50c.

### RED CROSS TO SHIP GARMENTS

The Morgan County chapter of the Red Cross has been very busy during the past few days packing the garments contributed by the many organizations of the county for the Near East relief. Seven organizations have turned in their donations and each one has gone far above the quota set.

The Mound Woman's Club, the Chapin branch of the Red Cross, the Alexander branch of the Red Cross, the First Baptist church, Trinity church, Grace M. E. church and Point church are the ones that have so far sent in their garments. There are many more that will send in theirs in the near future.

These garments, of which there are about four hundred already packed, are sent from here to Brooklyn, N. Y., and from there overseas to the stricken areas of the Near East. Morgan county has every reason to feel proud of the whole-hearted manner in which its organizations have responded to the call for help.

### MATTHEW BRENNAN VISITS JACKSONVILLE

Matthew Brennan of Chicago, has returned home after a visit with his nephew, J. F. Brennan, the hardware merchant, and his brother, John Brennan. Mr. Brennan was for many years a resident of Winchester, but for some time has lived in Chicago.

The gentleman was a member of the well known Thirty-third Illinois infantry during the civil war, and saw much hard service, some of it in New Orleans, where General Butler cleaned up that city so well. Mr. Brennan attended the state encampment of the Grand Army at Galesburg and had the pleasure of meeting the colonel of the regiment. The officer came all the way from New Mexico to be present, but met only some thirty-five of his former command. He knew Mr. Brennan at once, remarking he was the boy of the regiment, as he was very young. He is still erect and vigorous, while he says many of his comrades whom he met were bent with age and infirmity.

DO YOU wish to know how thousands and thousands of women have gone thru motherhood without knowing some of the pains and discomforts incident to childbirth? Listen to this:

Motherhood creates almost a new state of being for a woman.

As a result, new nerves, those heretofore restful and quiescent, spring into activity, they cry out, they tingle, they burn in their unrest.

The network of nerves across the abdomen, the loins, the back and other parts now become super-sensitive. All these nerves are being called on to perform unusual duties.

These nerves must be pacified and comforted; must be put in condition for the crisis that is pending.

If these nerves are not soothed and quieted, they may set up aggravated nerve tension, increasing in severity from month to month, sometimes even culminating in a nervous paralysis of the back and limbs. This leaves the mother-to-be in a condition where she is unable, fully, to meet the test when the climax of maternity arrives.

WARNING: Avoid using plain oils, greases and substitutes—they act only on the skin and may cause harm without doing good.

# Moist Warm Air Means Health—and You Get It From the WEIR

IDEAL heating is possible only when the correct proportion of moisture is in the air in the rooms. No other heating plant is capable of supplying the moisture like a warm air furnace; but the failure of some manufacturers to recognize this has caused many warm air furnaces to be installed with no water pan at all, or in a position where healthful humidity did not result.

Plenty of moisture means health and comfort and is an economy since moist air at 68° is more comfortable than dry air at 72°.

The WEIR water pan is in the right place and positively does the work because it is located at the top—the hottest part of the furnace and therefore at a point where the greatest amount of water will be evaporated.

The MOST warm air—

And MORE warm air—you get them both in the WEIR.

BLACKHEADSNo more squeezing and pinching  
to get rid of those unsightly black-  
heads, blackheads. There is one  
simple, safe and sure way to get  
them out and that is to dissolve  
them. To do this just get about  
four ounces of calomel powder from  
your druggist—sprinkle a little on  
a hot, wet sponge—rub briskly over  
the blackheads for a few seconds—  
wash the parts and every blackhead  
will be gone.Pinching and squeezing out black-

## WOMEN OF MIDDLE LIFE

Dangerous Period Through Which Every Woman Must Pass

Practical Suggestions Given by the Women Whose  
Letters FollowAfton, Tenn.—“I want  
other suffering women to  
know what Lydia E. Pink-  
ham's Vegetable Compound  
has done for me. During the  
Change of Life I was in bed  
for eight months and had  
two good doctors treating  
me but they did me no good.  
A friend advised me to take  
Lydia E. Pinkham's Vegeta-  
ble Compound, which I did,  
and in a short time I felt  
better. I had all kinds of bad  
spells, but they all left me.  
Now when I feel weak and  
nervous I take the Vegetable  
Compound and it always does  
me good. I wish all women  
would try it during the  
Change of Life for I know it  
will do them good. If you  
think it will induce some one  
to try the Vegetable Com-  
pound you may publish this  
letter.”—Mrs. A. KELLER,  
Afton, Tenn.Mrs. Mary Lister of  
Adrian, Mich., adds her  
testimony to the value  
of Lydia E. Pinkham's  
Vegetable Compound  
saying: “I am now safely  
through the Change of Life. She says:  
It is with pleasure that I write to you thanking you for what your  
valuable medicine has done for me. I was passing through the Change of  
life and had a displacement and weakness so that I could not stand on my  
feet and other annoying symptoms. A friend told me about Lydia E. Pink-  
ham's Vegetable Compound and the first bottle helped me, so I got more.  
Now I am now doing my housework. Your medicine is certainly  
an angel's friend and you may use this testimonial as you choose.”—Mrs. MARY  
LISTER, 608 Frank Street, Adrian, Mich.It is said that middle age is the most trying period in a woman's life, and  
to modern methods of living not one woman in a thousand passes through  
perfectly natural change without experiencing very annoying symptoms.  
Whether spells, the dreadful hot flashes that send the blood rushing  
up, as if the heart were going to stop, those sinking or dizzy spells are all  
symptoms of nervous condition, and indicate the need for a special medicine.  
Lydia E. Pinkham's Vegetable Compound is a root and herb medicine espe-  
cially adapted to act upon the female system. It acts in such a manner  
as to build up the weakened nervous system, and enables a woman to pass  
the trying period with the least possible annoying symptoms.Women everywhere should remember that most of the commoner ailments  
of women are not the surgical ones—they are not caused by serious displace-  
ments or growths, although the symptoms may be the same, and that is why  
many apparently serious ailments readily yield to Lydia E. Pinkham's  
Vegetable Compound, as it acts as a natural restorative and often prevents  
serious troubles.Lydia E. Pinkham's Private Text Book upon “Ailments Peculiar  
to Women” will be sent to you free upon request. Write

### VETERINARIANS FORM AN ORGANIZATION

The graduate veterinarians of Morgan, Scott and Cass counties met last night at the Pacific cafe and formed and organized the Tri-County Veterinary Association of Illinois. After a dinner the business meeting was held and the officers of the association were elected.

The officers are as follows: President—Dr. B. F. Webster, Winchester. Vice president—Dr. S. J. Carter, Jacksonville. Secretary and treasurer—Dr. A. C. Bolle, Jacksonville. A constitution and by-laws

were drawn up at this meeting and the main objects of the association set forth. The association stands primarily for the protection and promotion of the practicing veterinarians and to direct public opinion to enforce laws controlling animal diseases and for the good of the profession.

After the business session the meeting was given over to a general discussion of matters of interest to the profession.

William A. Wells and three daughters, Mr. and Mrs. Fred Bean, Mr. and Mrs. Albert Perkins and Mr. and Mrs. John E. Coultas were all shoppers in the city yesterday from Winchester.

### CLEON BELL IS SERIOUSLY INJURED

Former Resident in Critical Condition as Result of Accident—James Dollear Is Slightly Hurt.

Word has been received of the serious injury of Cleon Bell, a former resident in an automobile accident at Youngstown, Ohio. Mr. Bell's Ford roadster was struck by a Packard car and overturned.

He is suffering from a basal skull fracture and cerebral hemorrhage. Mayor Crabtree received a letter from Mr. Bell yesterday saying that he showed slight improvement tho still in a critical condition.

James Dollear, son of Mr. and Mrs. James Dollear also a former resident was in the car with Mr. Bell, but fortunately escaped with but slight injuries.

The injured man is a son of John L. Bell of Versailles and for a time was associated with the Jacksonville Packing company. At the present time he is manager of the Youngstown Packing and Provision company.

He has many friends in this city who will unite in wishing for him a speedy recovery.

### HISTORY CLASS OBSERVES BIRTHDAY

The History Class of this city, celebrated the twenty-fifth anniversary of its founding at the home of Mrs. Byron Gailey at the residence of her sister, Mrs. E. W. Brown, on West State street. Each member invited two guests, making the total of those present about fifty.

A charming program was given as follows a group of songs by Mrs. A. R. Gregory and a talk on Japan by Mrs. Gailey who is just recently returned from the Orient. Japan is the subject which the class is studying this year and Mrs. Gailey had many beautiful curios and bits of embroidery which enhanced the interest of her talk. After the program refreshments were passed.

The chairman for the program committee was Mrs. J. W. Hubble, and the others on the committee were Mrs. E. P. Brookhouse, Mrs. George Merrill and Mrs. A. R. Gregory.

### MERCHANTS ACCEPT BARGAIN DAY PLAN

The bargain day plan offered by the chamber of commerce has been accepted by eighty-six of the Jacksonville merchants. The object of the sale is to induce citizens of surrounding territory to become acquainted with Jacksonville business houses and their bargains.

All of the eighty-six merchants will offer different bargains and they will be at rock bottom cost and far below the retail cost. The bargains will be inspected by the trade extension committee of the chamber of commerce. The bargain sale is being held in connection with the Automotive and Merchants Exposition.

### TWO CLINICS TO BE HELD IN THE CITY TODAY

The first clinic of the Jacksonville Clinical Association will be held today. The morning clinic will be at Passavant hospital and will consist of both medical and surgical cases. The hospital will serve luncheon to the doctors. The afternoon clinic will be held at Jacksonville State hospital from 1 to 5 o'clock. Dr. E. L. Hill has arranged to give a vaudeville program from 5 to 6 for the entertainment of the visiting doctors, and at 6:15 o'clock dinner will be served at the Peacock Inn. Following the dinner the doctors will listen to the regular monthly program of the Morgan County Medical society.

### MISS CHERRY IS OCTOBER BRIDE

Well Known Young Woman Is United in Marriage to Norton Warren Wednesday Evening—Will Reside in Mt. Vernon

Simplicity as well as a note of elegance marked the impressive ceremony performed at seven o'clock last evening at the home of Mr. and Mrs. John Cherry, when their daughter, Miss Cora Cherry became the bride of Norton Warren of Mt. Vernon, Illinois. The Cherry home on South Church street was filled with guests who witnessed the beautiful double ring ceremony read by Rev. W. H. Marbach, of State Street Presbyterian church.

Before the rites were said Miss LeNore Kreige of Edwardsville sang, "I Love You Truly," by Bond, and "At Dawning" by Caedman. She was accompanied by Miss Marjorie Taylor of Ashland who then played the Mendelssohn Wedding March as the bridal party approached.

The wedding party was preceded by little Mary Jeanette Hemphill, carrying a tiny basket of flowers, and Robert Hemphill, as the little ring bearer. The ceremony was charming as the bridal party descended the stairs and proceeded to the altar of banked ferns and white roses in the living room where the marriage vows were taken.

Miss Arline Warren, sister of the groom, was the maid of honor and Miss Esther Purl of Carrollton and Miss Isabel Woodman of this city were the bridesmaids. Dr. John Corlew of Mt. Vernon acted as best man. Following the other members of the party, the bride approached the altar on the arm of her father, Mr. John Cherry, and the ceremony was said.

The bride was most exquisitely gowned in white satin trimmed in pearls. Her long bridal veil was caught back with pearls and she carried a shower bouquet of white roses and lilies of the valley. The maid of honor wore a gown of blue tulle caught up with pink rusebuds and ivory lace. Her picture hat was of blue and she carried an arm bouquet of Columbia roses. Miss Purl wore blue tulle trimmed in tulle and a hat of blue tulle. Miss Woodman's frock was of pink broadcloth silk with over dress of pink net. The bridesmaids carried arm bouquets of Russell roses. Mrs. Cherry, mother of the bride, was gowned in black satin and silver lace, and wore a corsage of orchids.

Following the ceremony a reception was given and the young people were the recipients of the congratulations of their many friends. A delicious bridal supper was later served in the dining room where a profusion of Russell roses carried out a charming color scheme of pink.

The other rooms of the Cherry home were attractively arranged with ferns and pink roses. All the appointments of the nuptials were such as to make this wedding one of the outstanding social events of the autumn season.

The young couple left during the evening for Chicago and other northern points where they will spend two weeks before going to Mt. Vernon, Illinois, where they will make their future home.

Mrs. Warren, the only daughter of Mr. and Mrs. John Cherry, is a young woman whose charm of personality and sincerity of character have endeared her to countless people in Jacksonville. Upon graduation from Illinois Woman's College last spring she was awarded a scholarship at the University of Illinois. In social, religious and college circles she has always taken a most active part and it is a matter of sincere regret to her many friends that Mrs. Warren leaves Jacksonville to make her home elsewhere.

The groom is the son of Mrs. Catherine E. Warren and is a prominent young business man in Mount Vernon, Illinois. Following a year's active overseas service with the marines, Mr. Warren became auditor of the Davidson Biscuit Company of Mt. Vernon, and is now a member of the firm. Mr. Warren has already won many friends in this city and all who know him feel that he is worthy of his charming bride.

Among out of town guests at the wedding were: Mrs. Catherine E. Warren, mother of the groom; Miss Mildred Warren, sister of the groom; Mr. and Mrs. W. K. Patterson and daughter, Jean, and Mr. and Mrs. Earl Davidson, all of Mt. Vernon, and Mr. and Mrs. Roy Davenport of Carmel, Illinois.

### POLICE FIND STILL IN SHED

The residence of Joe DeFrates at 869 West Railroad street was inspected by the local police on order of State's Attorney Carl E. Robinson, and in an old shed back of the house, a still was found and three kegs of mash. The mash was taken to the police station to be used as evidence against DeFrates. DeFrates appeared before Justice A. B. Opperman and furnished bond for his release.

The police had no difficulty in finding the still and the state's attorney repeated his warning to bootleggers and white mule makers yesterday, stating that several places were being watched and would be raided as soon as the necessary evidence was supplied.

### DR. C. C. COCHRAN RECEIVES INJURIES

Dr. C. C. Cochran was painfully injured yesterday morning when the car he was driving was hit by another machine at the junction of East State street and East Street. The doctor sustained a fractured rib, the ninth rib of the left side being the one broken. The car that hit him was coming from the north and hit the doctor's car which was going east, the force of the collision throwing the doctor against the side of the car with such force as to break his rib. He went to Passavant hospital and received the necessary medical attention and has been reported as able to be up around the house.

Henry Myers of Toledo, Ohio, was a caller in the city yesterday.

## Do You Look Forward To a Good Night's Rest?

Do you regularly anticipate a refreshing sleep? Or do you dread going to bed, only to stare, sleepless, at the walls? The difference between sleeping and staring is simply a matter of nerves.

When your nervous system is in a sound condition, you are certain to sleep well. But when your nerves are worn out and beyond your control, your rest is broken and your awakening leaves you languid and irritable.

Doctors know that much of the nerve disorders result from tea and coffee drinking. The drugs in these drinks over-stimulate, often causing the serious ills which result from disturbing the regular bodily functions. It is for your health's sake that many doctors now say you should quit

tea and coffee. Drink Postum, the delicious meal-time beverage instead! In flavor it is much like coffee.

Postum is fundamentally a nerve strengthener because it lets you get sound, restful sleep. Postum is a skillfully-made cereal beverage, and the secret of its popularity is its protection to health and its delicious flavor.

Ask your grocer for Postum. Drink this hot, refreshing beverage in place of tea or coffee for 10 days and see what a wonderful difference it will make in the way you feel.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.
